Chatham, MA VFW Hall George Ryder Road

March 18, 2003 Tuesday 7:00 P.M.

Land Survival: Pilots need to increase their awareness of survival issues should an accident happen. This seminar explores Search and Rescue efforts, items to keep in an onboard survival kit, pro's & con's of actions to be taken if your aircraft goes down as well as learning survival priorities. Many people have died after a crash that was not the result of the crash. The guest speaker for this seminar is **Insp. Bill Stevens from the Boston FSDO**. For further information contact **Mr. Dave Murray at (508) 945-5960**.

Sponsored by the Chatham Pilots Association (CAPA)

Directions: For those folks flying in, the VFW Hall is located just down the street from the Chatham Arpt. And is within walking distance from the airport.

.....
